

WHITE BIRCH Gourmet

Supplying Chefs with New England's Best!

WHITE BIRCH GOURMET is a local foodservice and retail sales, consulting & distribution company. We partner with New Hampshire and regional food entrepreneurs and manufacturers dedicated to creating great-tasting and affordable food products that meet the needs of chefs and managers.

Our consultative sales approach is based on creating opportunities to be a good resource for you... finding ways to help you make more profit, have more control of your business, and make your work life easier. We distribute foods and specialty products to fine restaurants & hotels, schools & colleges, hospitals & health care facilities, gourmet shops and retail food establishments, caterers and business customers...

How can we help you?

We supply artisan breads and rolls, freshly-prepared foods, hand-made pasta & sauces, premade pizzas & doughs, gluten-free entrees & desserts, organic coffee & accessories, pastries & baked goods, old-fashioned beverages, and exclusive New Hampshire-made products that customers depend on us to source.
